

PM14526: Chair with Embrace Classic Mid-Century Modern Style

The PM14526 modern chair embrace classic mid-century modern style with the timeless plastic (PP) chair.

Crafted with a two-piece molded plastic chair seat, arms, back, and legs this side chair is perhaps the most comfortable, practical, and durable seat you will ever sit upon. Made with recyclable polypropylene (PP) plastic in a matte, subtly textured finish. Features, modern design; Non-scratch leg caps will protect your floor from scratches and keep the chair evenly leveled.

These chairs feature a basic modern minimalist design that looks especially great, modern, and contemporary, their simple clean design lets it fit in with any area decor theme. You will want them in every room in your office, dining room, living room, study, or home.

PM14526 comes in Grey, Teal, White, Black, Brick and Green Color.
