

PMBF904: Salon Foldable Manicure Table

- If you simply don't possess enough space in your salon for a large manicure table, consider opting for something a bit more compact.
- This foldable manicure table is an economical option, sporting an accessory storage drawer and a wrist pad for client comfort.
- The laminated top surface is easy on maintenance and cleaning, while the sturdy metal legs add durability and longevity.
- With a wheeling base, this foldable table supports simple furniture rearrangement and stays mobile.
- Available with foldable black frame and black or cherry top.
