

PMTL-EZSSR: Round Column Table Base

The round column adds maximum stability to your tabletop and the round base provides a sleek look to match any decor!

This base is perfect for bars, pizzerias, and delis with seasonal outdoor seating and year around indoor seating. Create variety in your seating and dining areas without the added costs or clutter of separate indoor and outdoor table bases. Plus, glides are included to protect your floors and adjust for uneven surfaces.

Its attractive, brushed stainless steel construction is corrosion-resistant, so you can confidently use this table base in an outdoor setting without sacrificing its looks or longevity.

Dimensions: 18" D x 29" H
