

PMTL2430: Table Base Designed to Hold a 30"x36" Top

The PMTL2430 table base is designed to hold a 30" x 36" oval or rectangular tabletop. This base ensures the right angle on uneven surfaces, preventing the table from wobbling. The cast iron construction of this table base provides durability and sturdiness for cafe-height tables.

When searching for the highest quality and lowest prices on restaurant table bases for sale, we're confident that you'll find our line of bar, counter and pub table bases to be one of the best values you'll find when looking for bases.
