- Heavy duty laminate and low maintenance tabletops.
- Real Wood beveled edge with on top laminate finish available in various colors.
- Thermally fused laminate.
- Commercial contract hospitality and home use.
- In addition to being affordable, another advantage to laminate table tops is they are stain and scratch resistant.
- Hot plates can be placed on them without burning the surface.
- All of our laminate table tops are made to meet the most stringent commercial standards and look good after many years of heavy use.
- For indoor use only.
- Thickness: 1".
